Negotiating Updates

Department of Health

Health negotiations have moved to conciliation:

- Negotiations between the PEI UPSE and the Department of Health are moving to conciliation. Negotiating teams have worked hard to reach an agreement since talks began in April 2009, but a number of outstanding issues require third party intervention.
- PEI UPSE requested through the Department of Community Services, Seniors and Labour that a conciliator be appointed.
- Roy Doucette, Director of Labour and Industrial Relations has since been appointed as conciliator.
- PEI UPSE has forwarded dates in March for conciliation to Roy Doucette for consideration.
