Negotiations moving to conciliation!

Civil Service, IRAC and WCB negotiations moving to conciliation:

- Negotiations between the PEI UPSE and the Civil Service, IRAC and WCB are moving to conciliation. Negotiating teams have worked hard to reach an agreement since talks began in March 2010, but a number of outstanding issues require third party intervention.
- Conciliation is a process whereby the parties involved agree to use a conciliator, who then meets with the parties separately in an attempt to resolve their differences. The conciliator does this by lowering tensions, improving communications, interpreting issues, exploring potential solutions and bringing about a negotiated settlement.
- Dates for conciliation are scheduled for June 24 and 25, 2010.
