Bargaining Bulletin: UPSE Health PEI Members!

Greetings UPSE Members of the Health PEI Bargaining Unit:

Believe it or not, it's that time again to begin negotiations for your collective agreement which will expire on March 31, 2026. In order for UPSE to proceed to the next step, we must elect your bargaining team to prepare for negotiations. We also encourage you, the members, to fill out your demand forms. Your input will be used to set the bargaining direction for the next round of negotiations. *UPSE is emailing (and mailing) you information this week on the process for selecting the Health Bargaining Team Representatives, as well as the demand forms.* If you do not receive the package this week (or shortly thereafter), please contact the office at 902-892-5335.

- If you have an interest in being on the bargaining team and representing your occupational category during the next round of bargaining, please familiarize yourself with the dates and times your occupational category will meet (*see dates in the chart provided below*).

- The demand forms are due back at the UPSE office (4 Enman Crescent) by **February 20, 2026** via the options outlined in your package. Please make sure to submit your demand forms on time as this will assist the team to prepare your negotiation package as soon as possible.

If you have any questions, please contact the office at 902-892-5335 or email peiupse@peiupse.ca
